SUNKEA

Founded in 2005

Sunkea packaging group is a leading disposable paper food packaging manufacturer worldwide with over 20 years of exportation experience to European and American markets and has always been committed to manufacturing paper containers.

Since 2005, "Sunkea Packaging" has been a leader in providing solutions for disposable food and beverage packaging in China. Our products have sold to over 120 countries and regions around the world, covering a variety of industries that include catering companies, restaurants, bakeries, coffee shops and hotels etc, helping them promote their brand appealing.

2005

Founded in 2005

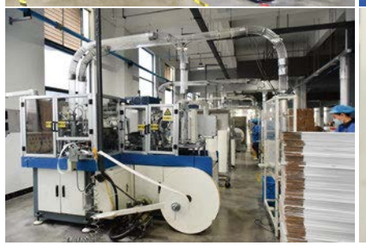
120

Exported to over 120 countries and regions

30000

Covers an area of around 30,000 square meters

200+ containers/month



Sunkea began from Shanghai, China, one of the major gastronomy centers, tourist and investment destinations in the world.

BRCGS FSC ISO ISO9001 ISO22000 ISO14001 SGS TÜV FDA IQNet

The factory covered an area of nearly **30,000** square meters. It has successfully obtained a series of international certifications such as ISO9001, ISO14001, ISO22000, BRC, and FSC. Our products obtain SGS/TUV certifications, and conform to FDA and EU standards.

To reduce plastic pollution, Sunkea is focusing on building an industrial system of **"substitute plastics with paper." Bamboo** is the world's fastest growing grass, which can recovery ecological balance quickly.Promote high-quality development of **"substitute plastics with bamboo"** and contribute to global sustainable development.

Bamboo is the world's fastest growing grass!

Bamboo is a member of the grass family.
It takes about three years to get established,
strong natural growth without artificial planting.

We are grass!

How fast does bamboo grow?

Hot or Cold Use
Freezer Safe

Bamboo Lunch box

The hard and rigid feature of bamboo fiber makes the packaging sturdier and more durable. The color of bamboo fiber products inherits the color of bamboo, adding an elegant and natural look to takeout orders.

Bamboo fiber

Bamboo is a member of the grass family. Due to its strong adaption to various climatic conditions, bamboo widely distributes on earth.
